

**2021-2022  
ANNUAL  
REPORT**

**MASONIC  
CHARITY**

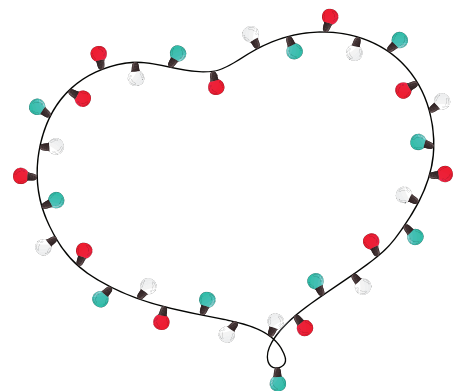

**FOUNDATION OF NEW JERSEY**

It has been a tradition at the Masonic Village for the residents to go on an excursion during the holidays to see the lights and decorations on the surrounding neighborhood homes.

For their safety during the coronavirus pandemic, the trip was cancelled this year. Instead, the Activities staff decorated their carts and brought the lights to the residents.

# DEAR BRETHREN AND FRIENDS:

This past year the Masonic Charity Foundation of New Jersey was again put to the test as we continued to navigate the COVID-19 pandemic, which has threatened so much of what we all hold dear. By continuing to support each other, to pivot when needed and to innovate when opportunities arise, we have met many challenges head on.

With your support, Masonic Village residents received quality services and compassionate care, Acacia Hospice & Home Care patients were given the comfort and care they and their families deserve, and the Foundation's scholarships helped worthy students fulfill their educational goals. We remain steadfast in our 123-year old mission and on making a positive difference in the lives of others.

Within these pages, you will find many facts and figures about the Masonic Charity Foundation. Without a doubt, these statistics are noteworthy for the programs and achievements they represent. We hope you will find this information helpful in understanding the scope and magnitude of the Foundation's activities.

Many thanks for standing by the Masonic Charity Foundation now and always. We greatly appreciate your generosity, your partnership, and your friendship.

Sincerely and fraternally,

**M.W. Robert V. Monacelli**

# RESIDENT AND COMMUNITY LIFE SERVICES

In recent years, the Masonic Village at Burlington's continuum of care has expanded to include independent living. Today, our campus features 66 cottages and 178 retirement living units. The Community Life Services and Resident Services departments form an oversight team to help give the Village's independent living residents the support they need to maintain an active lifestyle.

Community Life Services provides the residents many levels of support. Day-to-day programs are designed to help residents keep their minds vital. From discussion groups, to presentations and lectures, to off-campus excursions, the team helps residents to continue to think, learn and discover. In the process, residents come to understand that they are still an important part of the greater community. The psycho-social support these programs provide draws on each resident's many years of unique experiences.

Resident Services provides programs designed to promote each resident's physical health, and to help them to take control of their overall wellness. From exercise classes to instruction on using the fitness equipment in the Wellness Center, the team provides health-related programs, and helps residents develop their own programs to meet their health and wellness needs.

The team also includes a Nurse Navigator, who helps independent living residents maintain their own optimal physical health and well-being. She helps residents in our community discover options toward achieving their health-related goals. The nurse navigator helps with care management, coordinates consultancy, and facilitates access to services and resources while ensuring residents achieve a safe, stable, and healthy living environment. She also provides health promotion, education, and self-management materials.

The team also provides independent living residents with support when accessing the Village's on-site Wellness Center. Their assessments help connect residents to on-site specialists when needed, including the general practitioner, dentist, podiatrist, psychiatrist, cardiologist, and endocrinologist. The team helps the residents manage their prescriptions, and can provide transportation for residents who need to go to off-site medical appointments.

With all of this support, independent living residents can make the most of life at Masonic Village.

## Spare Change Adds Up

Like most of us, Masonic Village residents Bill and Martha Webb had a jar that they threw their spare change into at the end of the day.

“It was something that we’d done for years,” Bill says. When they moved into Masonic Village, the jar of spare change came with them. Then one day, Martha said, “I just looked at the jar, and realized that the spare change could be put to work here at the Village.” Bill agreed. Martha took the jar to the Development Office, had the change counted, and made an additional contribution to take their gift to a Donor Gift Club level. The Webbs are pleased to know that their spare change has helped make a difference at their new home.

## iN2L Connects Residents

Through a major grant from the New Jersey Department of Health, Masonic Village received seven resident engagement systems from

It's Never Too Late (iN2L). This company's person-centered technology products use content-driven engagement to create meaningful experiences for older adults by connecting them to the world around them.

The iN2L systems are 23" and 55" flat screen monitors mounted on mobile carts that are connected to a computer, which in turn is connected to extensive online content. The systems facilitate video calls with friends and family, therapy use, group engagement and one-on-one activities. The connections that the iN2L systems create have helped to enrich the residents' lives.

## Fountain of Life Brightens the Holidays

The Fountain of Life Center brought some holiday cheer to Masonic Village by remembering residents with a holiday gift bag. Each bag contained a fleece blanket, a note pad and pen, a crossword puzzle or seek-and-find book, a pack of vanilla cookies, a large plastic candy cane filled with chocolate, a pack of crackers and hand cream. Activities Coordinators delivered the gift bags to the neighborhoods, brightening the residents' day. The gesture helped remind residents that even though the pandemic may be keeping them physically distant, they are still in the thoughts of many.

# MASONIC VILLAGE ACHIEVES A FIVE-STAR RATING

The Centers for Medicare & Medicaid Services (CMS) have created the Five-Star Quality Rating System to help consumers, their families and caregivers compare nursing homes more easily.

The quality rating system gives each nursing home a rating of between 1 and 5 stars. Nursing homes with 5 stars are considered to have much above average quality, and nursing homes with 1 star are considered to have quality much below average.

There is one overall Five-Star rating for each nursing home, and then a separate rating for each of the following three sources of information:

- ★ **Health Inspections** – This rating contains the three most recent health inspections, during which inspectors go onsite and follow a specific process to determine if the facility has met quality requirements.
- ★ **Staffing** – This rating has information about the number of hours of care on average that the facility provides each resident.

- ★ **Quality Measures** – This rating has information on 15 different physical and clinical measures for nursing home residents.

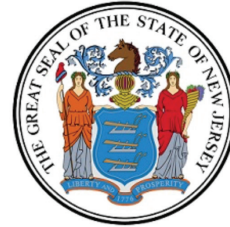

Here are the ratings for Masonic Village:

- ★ **Overall** – Five Stars (much above average)
- ★ **Health Inspections** – Four Stars (above average)
- ★ **Staffing** – Five Stars (much above average)
- ★ **Quality of Resident Care** – Five Stars (much above average)

Nationally, only the top 10% of nursing homes are rated with an overall Five-Star rating. Your support has helped Masonic Village to be one of the very best senior living communities in the country.

# ACACIA HOSPICE & HOME CARE RECEIVES A “WE VALUE OUR VETERANS” AWARD

Acacia Hospice & Home Care is honored to be among the recipients of the prestigious New Jersey Governor’s “*We Value Our Veterans*” Award. Presented by Governor Philip D. Murphy on November 11, 2021, this award reflects Acacia Hospice & Home Care’s commitment to honoring the sacrifices, patriotism, and bravery displayed by our men and women who have worn the military uniform.

Acacia Hospice & Home Care also participates in the *We Honor Veterans* Program. Established in conjunction with the Veterans Administration, this program seeks to assure that all veterans receive comprehensive hospice and palliative care services wherever they reside. Hospice and palliative care are covered benefits for all enrolled Veterans.

America’s Veterans have done everything asked of them in service to our country, and it is Acacia Hospice & Home Care’s honor to care for these men and women with the dignity they deserve. As part of the *We Honor Veterans* Program, Acacia Hospice & Home Care offers the following services for patients who are veterans:

- ★ Escort veterans on the annual Honor Flight trip to Washington, D.C. to see their memorials.
- ★ Arrange for proclamations for veterans from the United States Congress, thanking them for their service.
- ★ Flag draping and final escort of veterans to the funeral home.

Acacia Hospice & Home Care is proud that a big part of its mission involves providing comfort and support to veterans and their families at the end of life.
