MASONIC
VILLAGE
at Burlington, NJ

Assisted
LIVING

Since its inception in 1898, Masonic Village at Burlington has set itself apart as a truly unique senior living community. Set on 450 acres of spectacular wooded grounds, we offer person-centered Enhanced Care.

Assisted Living provides the extra support you need to maintain an active life. Our residents enjoy their own private or semiprivate suite, with a spacious bedroom and private bathroom. We provide all residents with living services (housekeeping, laundry, all meals) as well as personal care services to help with daily activities, such as bathing, grooming, and dressing.

24/7 Quality Care from Licensed Staff

Assistance is available to Assisted Living residents whenever it is needed, around the clock. Safety is our #1 priority, so a team of nurses and facility staff are on site 24/7, ensuring that medical care is always available. Most Assisted Living facilities do not have nurses on site 24/7. We have trained CHHAs (Certified Home Health Aides) and CNAs (Certified Nursing Assistants) on staff. Our healthcare staff are able to take vital signs, provide personal assistance daily care, assist with mobility, and more. Our staff also has specialty training in Alzheimer's and Dementia care.

Daily Social Activities

Our Assisted Living residents can take advantage of a full activities calendar. From cooking classes to Bible studies, from movie nights to game nights, there are plenty of opportunities to stay engaged and active. And whether you work out with a personal trainer or prefer to take advantage of our outdoor walking paths, there are also lots of options for staying fit. As always, the goal is to help residents interact, make new friends, and pursue their interests.
