OUR MISSION

Scott Counsel was founded with a mission to help families take care of their loved ones. Our approach is centered around individual needs as opposed to a "one size fits all" service.

HOW WE HELP

- We help families stretch their assets through trust planning
- We create a plan for you to access government benefits
- We draft all legal documents necessary to protect your loved one
- We assist with obtaining legal guardianship
- We handle probate and estate administration
- We have a clinical department to help you understand the medical charts and challenges

”

We handle the legal, financial, and clinical challenges you face all under one roof.
