**U.S. News & World Report Names Masonic Village at Burlington
Among New Jersey's Best Nursing Homes for 2025**

Masonic Village at Burlington is excited to announce that we have been recognized as a Best Nursing Home for 2025-2026 by U.S. News & World Report. We earned the U.S. News Best Nursing Home status by achieving a High Performing rating, the highest possible rating.

This designation is a testament to our quality care and commitment to our residents. U.S. News™ Best Nursing Home ratings give senior residents, their families and caregivers an objective assessment of quality, to help them choose the facility that best fits their individual needs, says Ben Harder, chief of health analysis and managing editor at U.S. News. Nursing homes that have earned the recognition of U.S. News have a track record of achieving better outcomes for residents, and maximizing the amount of care they receive from nurses and other staff.

I personally know that receiving this award would be possible without your trust and partnership. I look forward to working with you in 2025 and helping many more seniors with their recovery in our Short-Term Rehab and Long-Term Care programs.

Thank you for your continued partnership with Masonic Village at Burlington!

Sincerely,

Anda Durso, MBA, LNHA
